Education

Year	Degree	Institute / Board	CGPA/Percentage
2016-2020	B.Tech	Indian Institute of Information Technology, Una	6.85 (Current)
2015	Senior secondary	MP Board	90.8%
2013	Secondary	MP Board	83.5

Experience

- **Summer Internship on Artificial Intelligence and Deep Learning** *May 2019 - July 2019*
Develop Android Application to identify the Birds using ResNet50 *<https://www.bennett.edu.in/>*
for safety purpose.
- **Intern as Mobile Application Developer** *July 2019 - Sept 2019*
Worked on Girls talk app and e-commerce app, Girls Talk is a social *<http://werpindia.org/>*
networking app professionally design for empowering girls and Women in India and globally.

Projects

- **weAsk** *May 2019 - Present*
A Question and Answer portal for students regarding their small issues when they join a new college.
Experience can guide and help their juniors. And thus making it easy for adjusting in new environment.
1. Technology/Tools: HTML, CSS, JavaScript, NodeJS, MongoDB, Bootstrap
- **Bird Identification from Minimal Sample** *May 2019 - July 2019*
Develop android application to identify the birds for safety of aircraft Train a model using ResNet50.
1. Technology/Tools: Tensor Flow, Keras, Google Colab, ResNet50, MobileNetV2, Android Studio
- **Chatting App** *Nov 2018*
Chatting App is design using Firebase database, Using Firebase user can login with email id and password can chat with his friend.
1. Technology/Tools: Firebase, Java, Android Studio

Technical skills

- **Programming languages** : C/C++
- **Web technologies** : HTML, CSS, Javascript
- **Database management** : MySQL
- **Operating system** : Windows, Linux

Key courses taken

- Algorithm And Data Structure
- Fundamentals of deep learning for computer vision by NVidia deep learning institute
- Objected Oriented Programming
- Android Development
- DBMS

Extracurricular

- Participated Workshop on Artificial Intelligence and Deep Learning held at Bennett University.
- Participated in MATLAB and Computer Vision Workshop at IIIT Una on 16 th - 17 th March.
